The implementation of multidisciplinary / interdisciplinary approach in the college is clearly visible in following aspects. The Curriculum of B. Pharm and M. Pharm of Dr. Babasaheb Ambedkar Marathwada University covers different courses viz. Pharmaceutics, Pharmacology, Pharmacognosy, Analytical, Chemistry, Biochemistry, Quality, Environmental, Regulatory, Communication skill, etc. The Pharmaceutical research at M. Pharm and Ph. D. involves Chemical sciences, Medicinal Chemistry, Natural product, Formulation, Drug Delivery, Pharmacology, Toxicology, Quality Assurance and Quality Control. Many example of multidisciplinary research include preparation on Novel formulation and their analysis in quality control laboratory department , extraction of plants and biological study of extract in animals under supervision of Pharmacologist, Computational studied of drug molecules in CAAD laboratories. Co-curricular activities viz. Seminars, workshops, webinars, etc. catalyzes the multidisciplinary approach.

#### **16.Academic bank of credits (ABC):**

ABC under NEP-2020 enables the students for the future benefit in the education. The college responded to ABC of NEP-2020 by implementing following:

1. The college is registered for ABC with NAD (National Academic Depository) Government of India on their website [www.abc.gov.in](http://www.abc.gov.in)
2. Students were provided assistant for creating Digilocker through their mentor.
3. EPMC (Examination Planning and Monitoring Committee) will be one point of contact (POC) for implementation of ABC

4. The ABC link is also hoisted on college website (www.ktpatilpharmacy.org).

5. Hoarding have been fixed in the campus for awareness of ABC initiatives.

6. The college shall work in accordance with the instructions or directions of PCI and University for activities related ABC.

**17.Skill development:**

The UG/PG programs in Pharmacy impart knowledge and skills as per the need of industry, community Pharmacy and in-line with Ministry of Skill Development and Entrepreneurship, the Government of India. College is organizing the training and skill up gradation. Important aspect of skilling the student is value education which is imparted in student through co-curricular and extracurricular activities. Focus on the inculcation of societal concern and environmental awareness is one of the important aspect. Different initiatives at our college facilitate the skill development in the students which help in holistic development and their placement in industry/academia. It also helps the student who want to become entrepreneur.

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

The college is affiliated to Dr. Babasaheb Ambedkar Marathwada University and approved by Pharmacy council of India. The curriculum provided by PCI and accepted by University is in English language. So medium of teaching and learning is English. Efforts are also made by teacher to teach the difficult topic of the subject in Hindi or local language for better understanding. The activity that promote teaching in Indian Language, culture and Indian Knowledge system are;

1. Remedial, tutorial classes, mentoring efforts to clear the doubt of student in local language.
2. Celebrating cultural activity in Hindi, Marathi and English.
3. Studies on Ayurveda and herbal formulation as a part of course work in Pharmacognosy.

prayers on campus.

6. Adoption of bilingual methods of teaching (using Vernacular and English languages for curriculums delivery).

### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Outcome-based education is focused on the outcomes of the program. It is an approach that is performance-based and accepted globally. It accomplishes the goals of the stakeholder viz. goal of developing skills and gaining knowledge at the end of the program. The efforts of the college for the OBE are;

1. COs, POs and PSOs are posted on college website.
2. Focused on activity based education to inculcate the skills and knowledge as per COs, POs and PSOs.
3. Drafting of question papers as per Bloom's taxonomy.
4. Question paper mapping with COs and POs.
5. Attainment determination as per NAAC.

### **20.Distance education/online education:**

Distance education and online education aims at communication between student-teacher and student-student through physical separation. To facilitate online learning, various technologies are used. The NEP-2020 has a special focus on online education. During COVID-19 pandemic, the imposition of lockdown all over the country, attending online classes has become the 'new normal'. Online education allows students to attend classes from any location of their choice while it allows college to reach out to an extensive network of students, instead of being restricted by geographical boundaries. Students can clarify their doubts through live chats or forums by staying at the comfort and safety of their home. Our college has well defined ICT policy and has established the ICT committee for effective monitoring and implementation of initiatives. The ICT committee facilitates faculty for utilizing the ICT tools and organizing online educational activities. Following initiatives/methods were initiated to deliver online education during COVID Pandemic period many of which have been continued under blended mode:-

1. Stream Yard systems were subscribed for theory and practical classes.

2. Lecture notes, practical demonstration and presentations on Whats App groups and Youtube channels of the faculty & college.
3. Organizing Webinars of experts from industry and academia on the Pharmacy topic.
4. Google forms for class test based on MCQ.
5. Online courses through SWAYAM / NPTEL Platforms.
6. After COVID, online and offline modes (blended) of teaching and examination are included.
7. Monitoring of exam via CCTV surveillance.
8. College promotes online education through organizing national and international webinars and workshops.
9. Classrooms are equipped with Smart board, LCD and internet connections for both online and offline learning delivery.
10. Faculty ICT platform on College website for remote access by students for academic benefit.

<b>CURRICULAR ASPECTS</b>		

## 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institute follows the curriculum prescribed by Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. The Academic Monitoring Committee, comprising Academic Co-ordinator, class teachers and Teaching Learning Committee frames the time table for each semester which is provided to the faculty in advance. AMC provides academic calendar at the beginning of each academic year to the faculty which contains list of key curricular, co-curricular and extracurricular activities to be undertaken along with tentative schedule. Examination department provides time table for regular and revised internal exams and also communicates the University exam schedule to the faculty as and when it is displayed on the university website. Class teachers collect the different type of Continuous Assessment (CA) tests planned to be conducted by each faculty for theory and practicals. They prepare the schedule for conduct of the CAs. Based on these documents each faculty prepares the session planner for their subject and records the topics covered in theory and practicals in the Daily Entry File. The Course Monitoring Committee (CMC) comprising Academic Co-ordinator, class teachers and class representatives monitors the curriculum delivery before the start of sessional exams in each semester and verifies the records of number of lectures taken and topics covered.

### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

ASPM's K. T. Patil College of Pharmacy follows the Program Outcomes (POs) and is to be fulfilled by all the programs in higher education. The Course Outcomes (COs) for each subject is available in university syllabus or defined by concerned faculty member in consultation with other faculty teaching the same subject and HoD. The POs, PEOs, and COs are available on college website and are also communicated to students, teachers and other staff by displaying at following location:

Departmental Laboratories, College corridors, Principal, HoDs and Faculty rooms, Course files.

The COs is also disseminated to students through faculty announcements to the students during the beginning of each semester and from time to time during the entire semester. The learning outcomes are stated using Blooms Taxonomy and expressed in the lesson plan that clearly describe the knowledge skills and competency expected from the students to acquire as a result of completing the their programme of study . The importance of the learning outcomes has been communicated to the teachers in every IQAC Meeting and Institution Committee Meeting. The students are also made aware of the samethrough Tutorial Meetings. In our institution, every faculty member understands the concept of Outcome based education and diligently tries to ensure that outcome attainments are met.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

**For Teaching Staff:** The performance appraisal is based upon the various academic, administrative, research contributions and professional development of faculties in each academic year. The performance appraisal form consists of two parts, the first part is the basic information of teaching staff like name, qualification, designation, total experience etc. The second part of the appraisal form is divided into four subsections viz. academics, administrative, research contribution, and professional development. The research contribution deals with a number of research papers/patents published, participation in research posters/presentation, book/book chapters published, research project guidance, and proposal of research funds etc. The appraisal form and relevant documents need to be submitted to HODs and the academic in charge to verify the documents against filled information and remarks. Finally, submitted to the principal for final assessment, remark, grading, and recommendations.

#### **For Non-teaching staff:**

The performance indicators are time punctuality, work attitude, completion of a given task on time, attitude towards students and teaching staff, day-to-day performance, dependability, teamwork, maintenance of cleanliness in building premises and campus etc. Based upon daily evaluation and monitoring the authorities provide the performance of non-teaching staff to the management. The management evaluates the same and gives incremental rewards.

#### 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Yes, the institute conducts internal and external financial audits each year. Different mechanisms are set to conduct the transparent financial audits of the institute.

a. Monthly meeting of institute head/representative with ASPM's management team: The ASPM's management team calls a monthly meeting with all the heads of institutes/representatives to discuss various financial-related issues. The meeting mainly deals with pending incomes and forthcoming expenses for various academic and administrative-related tasks. Also, any discrepancies occurred during ASPM's internal audits.

b. ASPM's independent internal audits: Independent internal auditors are appointed to visit the institute once in three months. auditors check all the cash, voucher, and cheque transduction made. The pending fees and expenses are also checked by the auditors. Any discrepancies/objections related to financial transductions are pointed out and written clarifications are called from the respective head of department/representatives.

c. Independent external auditors: The external agency accompanying the consolidated financial statement comprises the balance sheet of the financial year with a statement of income and expenditures. Auditors provide a summary of significant accounting policies and other explanatory information.

d. Mechanism for settling audit objections: Till the time no major discrepancies/objections were pointed out in internal or external audits. Minor errors/typos/objections pointed out are immediately corrected/justified and precautionary steps/measures were taken to avoid the recurrence.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

**Resource Mobilization:** The primary revenue stream for the institute stems from student fees, which are set per the approved fees by the Shikshan Shulka Samiti, Government of Maharashtra.

**Optimal Utilization of Resources:** The institute implements a comprehensive budgeting system, allocating resources effectively across various categories. These resources cover recurring expenses like salaries and maintenance, learning resources such as books, journals, industrial visits, seminars, and workshops, as well as development initiatives including the acquisition of new equipment, computers, consumables, and furniture. Prior to each academic year, the institute's leadership, including the Principal, conducts meetings with teaching staff to outline requirements. Additionally, meetings involving the Store in-charge, College Examination Officer, Library in-charge, and Office Superintendent are held to determine institutional needs. Department Heads, in collaboration with faculty members and technicians, finalize departmental requirements, which are then presented to the Principal for approval. These proposals are

reviewed by the college development committee and governing body before final approval. After each year, stock verification is conducted to assess inventory levels, informing the preparation of requirements for the upcoming academic year. The institute's management monitors income and expenditure, and financial audits are performed annually by both internal and external auditors. Finalizing requirements for the following year involves collaboration between the Principal, Heads of Departments, Store in-charge, College Examination Officer, and Office Superintendent.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC is established as per the norms and guidelines of NAAC. The IQAC continues to contribute several quality initiatives for institutionalizing. The IQAC provides quality initiatives/inputs to address the institute's Vision and Mission and IQAC objectives. The following quality assurance strategies are adapted for the institution

1. Preparation of AQAR and its submission
2. ISO 9001:2015 certification of the institute.
3. Preparation and participation in NIRF.
4. Student feedback on teaching learning
5. Upgrade ICT-enabled facilities.
6. Initiatives for faculty professional development.
7. Upgrading research and infrastructure facilities
8. Soft skill development programs for budding pharmacists

The IQAC ensures the effective execution of quality initiatives through review meetings, interacting with the portfolio in charge,

teaching staff, coordinator, HOD, etc.
