

INFRASTRUCTURE AND FACILITY

1. LABORATORY

The institute has well designed spacious laboratories equipped with ultra-modern facilities for imparting updated education and training in various subjects of Pharmacy. The laboratories are well planned as per the norms and standards of regulatory authorities of the country and are in compliance with international standards too. A spacious instrumentation room is separately set up which houses many sophisticated analytical equipments.

2. MACHINE ROOM

The institute has well organized machine room equipped with the modern facilities for research which include the HPLC, UV Spectrometer, Tablet Punching Machine, Dissolution apparatus etc.

3. LIBRARY

The Institute has an ultra modern library facility as per norms of regulatory bodies. The separate reading room facility is available for undergraduate, post-graduate and teaching staff. The institute has a very rich collection of latest editions of textbooks and also has a subscription for various Indian & Foreign journals and periodicals of repute. Enriched library with 10000 books, 1200 volumes, subscription of national and international journals, e-journals etc.

4. MEDICINAL PLANT GARDEN

The College has special provision for medicinal garden. It contains more than 50 medicinally important plants. It provides a green, peaceful, eco-friendly environment in the campus.

5. MUSEUM

A museum is the excellent way to connect the past with the present. With the same motive, the college has developed its museum. Our museum takes one through the journey of the various aspect of Pharmacognosy towards the formulation of different dosage forms in Pharmaceutics which provides the sources of information to the students.

6. HOSTEL

On the campus, hostel facilities are provided for girls in the Complex of Hostels which have more than 30 well furnished and ventilated rooms. Dining hall and mess facilities are also available.

7. SPORTS

Adarsh Sports Club and Pharmacy College Ground with the requisite infrastructure for outdoor and indoor sports such as cricket, football, volleyball etc all fields for all round development of students are situated on the campus. Canteen facilities on campus provide students with snacks and delicious cuisine for lunch and dinner. Students and staff from various courses in the campus gather here providing an ideal environment for interdisciplinary interaction.

8. INDUSTRIAL TOURS

Every year industrial visits and educational tours are scheduled to different Pharma Industries and herbariums with a view to strengthen the industry and academic interaction as well as the student to develop the actual experience. The college has constituted training and placement cell aims to promote interaction between academics and industry, to train students for interviews and presentation.

9. ALUMNI

The Alumni Association was established in the year 2009 with the aim to have a platform for many thought provoking discussion which will shape the future of our building pharmacist.
